Damian Roos is a graduate of UCT's College of Music who, at the age of 25, is having a stellar start to 2022 with his debut single *Every Time I Think of You* - a song about love and lament - chart on local radio in Cape Town (currently at number 17 on the top 40).

Roos looks to the masters in R&B and soul for inspiration and models his work around the vocal prowess of the likes of Whitney Houston, Dionne Warwick, Luther Vandross and The Clark Sisters.

I caught up with this rising star last week:
