

What drives the aftermarket automotive industry surge?

The automotive aftermarket industry is experiencing remarkable growth. As vehicles age, they become frequent guests at repair shops. But this is just one of many reasons that keep the cash registers ringing for businesses in the aftermarket sector.

There's more that's feeding the growth. It's the blend of technological advancements and the DIY spirit. Most people associate innovation only with new cars, but a big part of it is about enhancing existing ones. And that's no longer just a trend. Car modding has become a lifestyle for many enthusiasts.
