

Hottest Female DJs on SA Radio

Give us your list of HOT female radio jocks in SA.

With the new 2011 radio line-ups out and on air, <http://campusvibe.blogspot.com/> is putting together a list of the finest female talent on South African radio in 2011. We want names of sistas with more than just a face for radio. Leave your suggestions in the comments section.

The first nominee is Criselada Kananda of Metro FM Talk.
