This women's month, Bernini, the only real sparkling spritzer made from wine, is celebrating women having the **audacity to live a little**, by unlocking Glowcations in your city. Instead of waiting for months to save up for an extravagant international trip, Bernini is urging women to prioritise everyday celebrations and fun in today's fast-paced world. Without going far or straining finances, why not indulge your senses or unwind by uncovering hidden local gems in your city while discovering yourself?

The poster features the Bernini logo at the top center, with the word "BERNINI" in green below it. The main headline "Glowcation" is written in a large, white, cursive font, flanked by white starburst graphics. Below the headline, the text "ARE YOU READY FOR A" is in a small, white, sans-serif font. The main promotional text reads: "BUY ANY BERNINI AND STAND TO WIN 1 OF 10 STAYCATIONS WORTH R20K TO EXPERIENCE THE HIDDEN GEMS IN YOUR CITY AND YOURSELF". The bottom half of the poster shows three hands holding bottles of Bernini: a pink bottle labeled "BLUSE", a green bottle labeled "CLASSIC", and a gold bottle labeled "LUBER". The background is light blue with colorful polka dots. In the bottom right, there are three overlapping circles containing the text "BUY ANY BERNINI", "SCAN", and "WIN". Below the bottles, the tagline "Real Sparkling Spritzer Made From Wine" is written in a white, cursive font. At the very bottom, small text reads "Promotion valid from xxxx - xxxx 2023. T&Cs apply."

"The campaign aims to inspire women to break free from their daily routines and live a boundless life by exploring their city's treasures. By stepping away from the ordinary and embracing an unrestrained spirit of spontaneity, we are acknowledging the unbound potential of women to live a little!" says Paigon Prince, marketing manager from Bernini.

Women's Month is the perfect time to give women room to be audacious with their choices. With a chance to enjoy a short escape just a few kilometers from home, Bernini is offering 10 'Glowcations in your City' valued at R20,000 each. To participate, all you need to do is to purchase a six-pack of any Bernini, scan the QR Code and you could unlock a moment to 'Live a Little'. "We aim to offer our Glowgetters a glimpse of an ideal Glowcation experience, solidify the Bernini Glowcation mindset, and redefine vacation, relaxation, and exploration through the lens of Bernini," added Prince.

Our Brand with purpose is more than just being consumed responsibly, it's also about taking time to embark on new adventures that will create lasting memories and shift your perspective and is why Bernini wants to give women a chance to create everyday celebrations. "We encourage women to raise a toast to themselves, whether it's treating themselves to a spa day or enjoying a meal at a new restaurant – at Bernini, we cherish these moments," Prince concludes.
