Situated along the Atlantic coastline, Sea Point is a community like no other — a blend of scenic beauty, diverse population, enjoying an array of lifestyle choices. Whether you're into promenade runs, a yoga workout, an art exhibition, or enjoying a morning meet-up, Starbucks Sea Point has something for everyone of every age from every background.

"With approximately 700 employees across the country, we're excited about the growth we're experiencing," says Leah MD of Starbucks South Africa.

"Sea Point represents more than just another location; it's an opportunity to reconnect with the roots of what Starbucks has always been — a corner coffee shop. We're looking forward to adding a little Starbucks magic to this community's rich tapestry."

Innovative sustainability trends give South Africa's coffee industry a caffeine kick

Insight Survey 21 Jun 2023

Being part of the Sea Point community is a commitment to not only serve great ethically sourced coffee but also to be good neighbours, contributing positively to the local culture and environment.

Starbucks Sea Point boasts a range of exclusive offerings, a spacious upstairs lounge and meeting space including a private boardroom that can be reserved and an exclusive selection of Starbuck Reserve coffee.

“Starbucks Reserve is a selection of the rarest, most extraordinary coffees Starbucks has to offer, unavailable anywhere else in Cape Town,” adds Leah.
