

Volvo Car South Africa continues as endorsed vehicle partner

Volvo Car South Africa has once again been selected as the official vehicle partner for the Nedbank Golf Challenge with tournament winners standing a chance of winning one of four brand new Volvos.

The challenge, in its 15th year running, takes place at the famous Gary Player golf course between 10 and 13 November.

Also available is the new NGC app for smartphones that visitors can use to interact with event partners and get more involved with the challenge. The free app can be downloaded for Android and iOS devices through their respective app stores.
