

Weg introduces new Afrikaans online course

Weg has introduced an online photography course, which is only available in Afrikaans. The course is aimed at amateur photographers who want to learn the basic principles of photography and how to operate their camera.

The course covers six modules, which includes subjects like composition, camera settings, cellphone photography, and photo editing. To sign up, go to <https://neembeterfotos.weg.co.za>; the course is subject to a one-off fee of R950.
