

City of Cape Town to host annual regional conference

The City of Cape Town has been chosen by the Lufthansa Group to host the group's internal Annual Regional Conference for Africa and the Middle East.

It is the first time the event will take place in South Africa and the choice of decision indicates the group's commitment to assist the city as a primary strategic growing destination.

The conference takes place at The Westin Cape Town on 31 January to 1 February 2018.
