additive is being developed, and the manufacturer, The Baggel Company, is likely to have a dual-track to Europe and Japan, and other parts of Asia.

There is also significant research into causes of work satisfaction, and one significantly effective strategy is goal setting. All concerned with performance should ensure that some form of goals are being used. Goals can be set without the aid of a manager, but it is clearly better to have a manager who, with some assistance, will do so.
