

Dewald Olivier is SA Feedlot's new executive officer

Dewald Olivier is the new executive officer of The South African Feedlot Association (Safa). In his new role, Olivier will oversee the association's day-to-day operations, ensuring the compliance and efficiency at all levels, as well as use his proven track record to translate business objectives into strategies and tactics.

He received his MBA in 2009 and also serves as the chairperson of the MBA Alumni Association and the advisory board of the NWU Business School.
