

Sorbet introduces new haircare collection

Sorbet has released a brand new haircare range that will be sold at Sorbet Salons, Sorbet Drybar's and Clicks. The range consists of shampoos, conditioners, intensive care treatments, styling aids, and serums.

The basic haircare essentials are covered in the mix with Sorbet Drybar 3-step shampoos, conditioners and intensive care treatments to wash, care and treat all hair types and concerns. These products are paraben-free and pH-balanced, and each 3-step set is enriched with essential oils and antioxidants.

Sorbet has also introduced Sorbet Drybar accessories, consisting of detangling brushes, hair clips, rollers, straightening irons, curling wands and a hairdryer.
