

Ingram's launches new cream, lotion ranges

Ingram's has extended its range of creams and lotions in response to the changing needs of South African skin. The three variants are inspired by nature to nourish and care for all skin types and complement the Ingram's existing Moisture Plus, Tissue Oil and Men's ranges.

The three new variants are Ingram's Sensitive, Ingram's Hemp Oil and Ingram's Rooibos creams and lotions and are available for sale at retail stores.
