Howard Audio is thrilled to announce that Adam Howard has once again been nominated for two awards at this year's Wawela Awards - to be held in JHB on 7 October. The awards are for "best music in a TV commercial" and "best music in a radio commercial".

The Southern African Music Rights Organisation NPO (SAMRO) has announced the list of nominees for the 2016 Wawela Music Awards (WMA), including winners for the Special Awards: Lifetime Achievement Award, Prolific Catalogue of Works and Breaking Through The Borders.

Over the years, the Wawelas have taken pride by being the only awards in the country that put a spotlight and recognise music composers, lyricists, song writers and music publishers.

Now in their 4th year, the awards are known for their in-depth appreciation of music composition and songwriting, including music created for television and film to songs for commercials. With the amount of entries received for this year's awards, there is no doubt that the 2016 ceremony will surpass the standard set by last year's edition.
