

# Creative Circle's Cannes 2015 individual and group agency results are out!

The Official Creative Circle Cannes Results 2015 are out...

The Creative Circle has congratulated all the winning agencies for flying the SA flag in Cannes. [Click here for a reminder of all the SA wins.](#)

In addition to the Cannes Lions South Africa hauled home this year, three of the Creative Circle Exco members also brought back some valuable insights from their various juries.

The Creative Circle asked them to share some of their experiences, from the judges' chambers to the Croisette, to better explore the place where creativity and effectiveness intersects.
