

Radio Changes 2010

Who should stay and who should go ?

As the new year kicks in, full swing and everyone is world cup this and world cup that, S A radio is about to get a shake up (or is it?) be it regional or national, on the national commercial front Metro fm and 5fm, inland jhb- Yfm, khaya fm,- on the coast- Goodhope fm, heart fm, kfm, ecr, G995fm,

So all we can do is guess what will be happening in the next few months to come, or maybe you have some insight ?
