

4JB Investment acquires Uhula ICT assets

4JB Investment has acquired all the assets of Uhula ICT. 4JB Investments is an investment firm with a distinct focus on next-generation technologies and digital disruptive innovation.

Uhula ICT offers an opportunity for 4JB Investment to strengthen and expand its service offerings in IoT and AI technologies. This investment represents an important strategic opportunity to identify and capitalise on differentiated investment opportunities within the digital infrastructure and be a value add a participant in 4IR.
