

‘Lernert & Sander’ announced as speakers

Amsterdam-based artists and filmmakers 'Lernert & Sander', who began collaborating in 2007, have since become known for their high-conceptual art films, eye-catching installations and keen fashion aesthetic. Another impressive addition to the Design Indaba 2017 speaker lineup.

Their work portrays their cheeky sense of humour, and includes everything from advertising, art and art direction through to website design, window design and writing.

The duo has earned numerous awards, international accolades and industry-wide recognition. Most recently, they won the Milano Design Award at Salone del Mobile 2016 for their 'Boring Collection' (clearly not so boring), and a Gold at the 2016 ANDY Awards in NYC for their 'How to drink a Campari' video (both embedded below).
