

Submerged Sundays with Cell C and Goldfish

On 15 December, Cell C hosted the second Submerged Sundays event in partnership with Goldfish and Shimmy Beach Club as part of the Cell C Believe campaign. Capetonians got to celebrate with local celebrities, invited guests, media and Cell C brand ambassadors Jeannie D, Melinda Bam and Bokang Montjane at the event.

Cell C will be hosting Submerged Sundays at Shimmy Beach Club until the end of January. This is just one of the many ways the network is saying thank you to its subscribers for their support in its 'Believe' brand campaign.
