

The Donkin Reserve and Hobie Beach

Taking a short left to Nelson Mandela Bay this week, on day one Bizcommunity was welcomed to the friendly city at The Donkin Reserve, home to Nelson Mandela Bay Tourism. Art, architecture, and a more than 18-metre above ground view of the bay from The Donkin Reserve Lighthouse kicked things off, along with the launch of the revamped Nelson Mandela Bay Tourism app. The day's activities concluded on Hobie Beach with a bit of cycling and surfing.
