Festival Mall welcomes its newest resident

As part of ongoing expansion plans, Tiger Wheel & Tyre recently opened its newest store located at Festival City in Kempton Park.

“Over the years, we have been fortunate with the support received from the residents of Kempton Park. We did however notice a growing need for fitment services in the area and seized the opportunity to further provide our special brand of premium products and service expertise, without compromising on quality or customer service,” said Edward Juta – store manager at Tiger Wheel & Tyre Festival Mall.

Heading the team at the newly opened store, Edward Juta, who in addition to being an entrepreneur, has been part of the Tiger Wheel & Tyre family for over six years; working multiple facets of the business, from health and safety to stock management, while gaining technical experience, to earning a more managerial role.

If you haven't already, make sure to visit the store, where you will find a fully equipped fitment centre, featuring a number of fitment bays for customer convenience, as well as state-of-the-art machinery to correctly diagnose and rectify any mechanical issues that your vehicle may experience.

Tiger Wheel & Tyre is committed to providing consumers with expert advice, superior fitment services and quality products for every budget from leading brands in wheels, tyres and batteries.
