Booked by Creative Edge Limited, the Z-Card targets domestic and international tourists promoting Lamu a unique holiday destination with a wide variety of accommodation to cater for all budgets.

"The Z-Card highlights Lamu's unique attractions and provides photos of various hotels and beach houses says Lamu Homes & Safaris' marketing manager, Maggie Mugambi.

"It is a catchy way to get tourists to stop, take notice and pique their interest in Lamu," says Prital Patel of Z Card Kenya.
