

First Hero of the Week selected

Pick n Pay School club's first hero in its 2013 Heroes of the Week campaign is Thuli Masipa from Bryanston High School, who has returned to complete her matric, following a car accident last year that made it impossible for her to write her final exams.

Kaya FM's breakfast show, 180 with Bob, had a Live Assembly Bust, where she was recognised in front of her peers and parents for her actions in inspiring and motivating those around her through her personal choices.

Co-presenter of 180 with Bob, Kuli Roberts and Mo G of Kaya FM's afternoon drive time show, Kaya Central, were both present to award Masipa for her personal triumph with a new e-Book and a Kaya FM hamper.

Pick n Pay's Faith Marera was also present to hand over to 500 000 smart shopper points (equivalent to R5000) to Bryanston High.
