

# African Congress of Shopping Centres in October

The 14th Annual African Congress of Shopping Centres, hosted by the South African Council of Shopping Centres (SACSC) and sponsored by Growthpoint Properties, will take place at the Cape Town International Convention Centre (CTICC) 13-15 October 2010.

The congress is supported by the International Council of Shopping Centres (ICSC) and provides a meeting place for retail heavyweights from South Africa, the rest of Africa, and global delegates.

This year's conference theme - Relevance, Balance and Responsibility - signals a confident move away from the economic fears that have defined retail discourses in the past few years.
