

Ethiopian Airlines named Company of the Year at AABLA

Ethiopian Airlines, the largest Aviation Group in Africa and SKYTRAX Certified Four Star Global Airline was crowned Company of the Year by All Africa Business Leaders Awards(AABLA).

All Africa Business Leaders Award honours business excellence and leaders, who have made a considerable impact on their industry and community.

Regarding the award, Group CEO of Ethiopian Airlines, Tewolde GebreMariam, remarked, "We are honoured to receive the prestigious award of Company of the Year by All Africa Business Leaders Award organised by CNBC. The award is yet another testimony of the success Ethiopian continues to register thanks to its Vision 2025 fast, profitable and sustainable growth roadmap. This award is first and foremost due to the dedication and commitment of my 16,000 colleagues who work day and night to make the airline successful.

Ethiopian now operates over 108 aircraft to 60 African and 117 international destinations covering 5 continents. Our extensive African and international network play a critical role in the integration and economic development of the continent by enabling the flow of tourism, trade and investment."
