

Grow your business in CT's new co-working space

Fittingly titled 'Work & Co.', a new co-working office space has opened in Touchstone House on Bree Street, Cape Town. Intended to host a community of entrepreneurs, creatives, small- and medium-sized enterprises, remote teams and freelancers, it aims to enable business growth through connecting people. The 2,000 m² space combines the buzz of a coffee shop with the comforts of an arty home. Visit Work & Co at www.workandco.co.za for more.
