

# Elizabeth Elfenbein, Michael Bonilla to chair 2019 Global Awards' Executive Jury sessions

The New York Festivals' Global Awards has announced the executive juries for this year's Executive Jury sessions.

The chief creative officer, strategic development, health innovation for Comcast and Fast Twitch Group, Elizabeth Elfenbein, will chair the Healthcare & Wellness Executive Jury sessions. While the executive creative director for Klick Health, Michael Bonilla, will chair the Pharma (Rx) Executive Jury sessions.

The Executive Jury panels will review shortlisted entries as selected by the online Grand Jury and during Live Judging Sessions hosted around the globe.

The 2019 Live Judging Sessions hosts include Serviceplan Health & Life in Germany; The Classic Partnership Advertising in the United Arab Emirates; Asterisco Healthcare Communications in Mexico; TBWA\WorldHealth in the United Kingdom; Medula Communications in India; TBWA\World Health (Chicago) in the USA; Insight Australia in Australia; and FCB Health Brasil in Brazil.

The Global Awards' Executive Jury and Grand Jury are recruited from more than 20 countries on six continents.

## 2019 Global Awards live judging sessions to be held in 8 countries worldwide

22 Aug 2019

“The 2019 Global Awards Grand Executive Jury represents some of the industry’s most internationally acclaimed industry leaders and influential creatives working in the Healthcare, Wellness and Pharma space,” said Fran Pollaro, executive director of New York Festivals Global Awards.

“The calibre of this jury and their stellar reputation within the industry sets the bar for this year’s competition.”
