Young Guns is the industry's only international, cross-disciplinary, portfolio-based awards competition that identifies today's vanguard of young creatives. Submissions were received from more than 40 countries and judged by the diverse jury of 82 top creatives – about half of whom are past YG winners – from 32 countries.

This year's winners will be announced at a special online event on Wednesday, 18 November 2020, details to be announced shortly.

Unique version of Young Guns Cube

All Young Guns winners will receive a unique version of the iconic Young Guns Cube, designed exclusively for this year's incoming class, and have their permanent profile page added to the Young Guns website. Winners also receive a complimentary one-year One Club for Creativity membership, permanent membership in the Young Guns network, a chance to be featured in Young Guns events and an assortment of career-boosting opportunities from Young Guns sponsors.

Young Guns 18 branding and design of the Cube award itself is recreated each year by a past Young Gun winner. This year's YG18 branding and award are designed by CONTINO, New York, founded by creative director and YG9 winner Jon Contino.

Levine/Leavitt Artist In Residence Award

For the seventh consecutive year, international artists management agency and Young Guns sponsor Levine/Leavitt will bestow one talented winner with the Artist In Residence Award.

The honour is presented annually to a newly crowned Young Gun whose body of work truly stands out, as judged by an advisory board of industry professionals across a range of disciplines. The winner receives a full year of professional development, guidance and mentorship from Levine/Leavitt to help advance their career.
