

## Cape Town to host Africa Oil Week

The 22nd Africa Oil Week/Africa Upstream Conference will take place from 26-30 October 2015 at the Cape Town International Convention Centre.

The conference runs from Tuesday to Friday, with 120 speakers from governments, private/public companies, African national oil companies, licensing agencies, and key players inside Africa's oil/gas-LNG industry value chain.

The 13th Africa Independents Forum takes place alongside the 17th Scramble for Africa Strategy briefing on Monday, 26 October, followed by the 71st PetroAfricanus Dinner in Africa, and the traditional Icebreaker Cocktail Reception for Africa Oil Week to be held on the Monday evening.
