

7 secluded, self-catering getaways to take advantage of now leisure travel is open in SA

24 Aug 2020

Current tourism trends show that travellers are looking for relaxed, close to home getaways in natural, eco-friendly environments. The Covid-19 pandemic and subsequent lockdown have entrenched these trends even further. After being cooped up inside, travellers are looking for natural, nature-filled retreats in secluded spaces that don't impact too negatively on the environment.
